**If any of the members are looking to get a new phone, please let me know what they're looking for, and I'll send a separate quote for the hardware. This should be done as soon as possible, as many of the iPhones, Samsung + Google devices are on sale for Black Friday (based on availability)

In addition to all of this, when signing up with TELUS each person shall receive the following:

- **TELUS Health Virtual Care** (24/7 Healthcare advice from physicians): *So, one of the biggest things is, you know, you've got workers, you've got employees. Sometimes they've gotta take time off to go see a doctor and things like that. Now, they can literally use their phone and see a doctor through their phone with us. They get prescriptions through their phone with us. They can talk to nurses through the phone with us. "We even do it for pets now."*

- Save up to 40% off your accommodation with Booking.com Whoever you are, whatever you're looking for, Booking.com has the perfect place for you. With over 28 million listings worldwide including homes, apartments, and other unique places to stay

- Manage your bookkeeping free for 4 months with Sage. When it comes to finances, don't let paperwork and manual data entry slow you down. Sage Accounting helps you get organized and save time
- Give your team a competitive edge — and save over 20% Your people are your greatest asset. Equip them with a digital Globeandmail.com Group Subscription for trusted insight from Canada's most award-winning newsroom. Easy to manage. Unlimited potential
- Enjoy your favorite publications for free for 3 months. Unlock unlimited access to hundreds of newspapers and magazines, all in the Cafeyn app. Enjoy offline reading, free downloads, and personalized reading recommendations
- Staying north or heading south? Unlock powerful benefits when you open Canadian and U.S. RBC bank accounts. Benefits on both sides of the border? That's a win-win

Note: If any of the Union Members are already with Telus, to take advantage of this offer, a minimum of 1 new line or a number from another carrier outside of Telus would need to be set up first

Your Bundle also includes TELUS Business WiFi:

TELUS Business WiFi works directly with your existing modem, and provides an experience like no other. With so many employees connecting to WiFi, the speed will never be as fast as connecting directly through ethernet.

With TELUS Business WiFi it's like each person plugging directly into your modem with an ethernet cable.

Note: The \$15.00 monthly fee has already been worked into your customized offer. Free installation. So essentially the way this promotion works is as follows. You'll see a monthly charge of \$15.00 for Telus Business WiFi and a \$20.00 monthly discount on each of your cellular lines. Therefore it's absorbed into the package price.
